Art has always been part of humanity. It has often expressed an anticipated utopia, a dream of mankind. This is why its creators have often been considered as avant-guardist whose hopeful dreams have been able to inspire humankind…

We invite you to use your creativity and participate in our

International Contest

A 1000 pieces of art for Patagonia

A 1000 pieces of art for "Patagonia - Wildlife Reserve"

A 1000 pieces of art for "Patagonia…free from hydroelectric dams".

Categories:

1) Photos and graphic designs.
2) Paintings and drawings.
3) Poems and stories.

Out of the works that we receive, a selection committee is going to choose 12 pieces of art that are going be included in the year calendar of the "Patagonia WITHOUT Dams" Campaign for 2009.
Furthermore, the committee will select the best works from each category. The winners will receive the "Patagonia WITHOUT Dams" book and a surprise gift.
All the pieces of art that we receive are going to be exhibited during the final event of this contest that will take place on November 23rd.
We are going to award a prize to all the works by using them in future actions of the Campaign against the construction of 5 hydroelectric dams in Patagonia.

You can find the catalogue of rules and conditions for this International Contest on the weblog of the Contest: **http//1000artesxpatagonia.blogspot.com**
You can send your pieces of art to the following email address:
